

Members Help Needed With Club Sponsorship

WE NEED HELP

The Garville Board is reviewing its Sponsorship Package. Sponsorship is critical to a Premier League Club if it is to be successful.

Chris Hartley & myself are reviewing the current package & would value the assistance of club members who have experience in this area. If you are in marketing, advertising or similar you will have more knowledge of what is required than us!

We anticipate this will only require a few hours of work but time is not on our side. We need to be approaching possible sponsors now to be ready for the 2020 /1 season.

If you are interested & willing to help us please contact me on:

President@garville.com.au

Or

Felicity-ann: 0412256187

If you are interested in sponsorship at the Club, Team or Player level and would like to see the package when we have prepared it then please register your interest for this using the same details.

The club needs around \$45k in sponsorship each year to operate its current model.

It's a big task!

I look forward to hearing from you.

Yours in netball

Felicity-ann Lewis
President
